

## USER STORIES - USER MODULE

S.NO.

USER STORIES

- 1 As a user, I want to create a user account and login so that I can access personalized features of the application.
- 2 As a user, I want to browse religious sites by state so that I can plan my pilgrimage more effectively.
- 3 As a user, I want to see detailed information about each religious place including its historical importance and significance.
- 4 As a user, I want to view images and video clips of each religious site to get a visual understanding before visiting.
- 5 As a user, I want to search for religious places by name, type (temple, mosque, church, gurudwara), or location.
- 6 As a user, I want to see the distance from my current location to a religious site so I can plan my journey.
- 7 As a user, I want to rate religious places out of 5 stars and leave reviews based on my experience.
- 8 As a user, I want to filter religious places based on ratings so I can find the most highly-rated destinations.
- 9 As a user, I want to see special occasions and festivals associated with each religious place so I can plan my visit accordingly.
- 10 As a user, I want to view curated pilgrimage packages for each state that cover major religious sites.
- 11 As a user, I want to create my own customized pilgrimage itinerary by selecting specific religious places.
- 12 As a user, I want to see an optimized route for my selected religious places to minimize travel time and distance.
- 13 As a user, I want to rate and review entire travel packages to help others know which trips are worth taking.
- 14 As a user, I want to rate the overall application and give improvement suggestions.
- 15 As a user, I want to bookmark or favorite places or packages to revisit later.

## USER STORIES - ADMIN MODULE

S.NO.

USER STORIES

- 1 As an admin, I want to add, update, or remove states from the application.
- 2 As an admin, I want to add, update, or remove religious places with their detailed information, images, and video clips.
- 3 As an admin, I want to create and manage optimized pilgrimage packages for each state.
- 4 As an admin, I want to view and moderate user reviews and ratings to maintain quality content.
- 5 As an admin, I want to view analytics on most visited places and highest-rated packages to improve offerings.
- 6 As an admin, I want to view user suggestions for improving the application.
- 7 As an admin, I want to update videos, descriptions, or locations if outdated information is reported or found.
